

News regarding the accident at the Barbour Lane entrance

On 8/3, the Falls Creek Barbour Lane entrance had a dump truck rollover onto the grass and landscaping. A driver had pulled out of Barbour Manor, caused the accident, then drove off. Fortunately, no one was hurt. KY Realty is following up with the trucking company/insurance, so our HOA gets things fixed and does not have to pay. If there are any questions, please ask or refer to our website fallscreekhoa.com.
