

Rules for neighborhood real estate signs

The rules for Falls Creek sign posting are intended to allow Realtors to post signage providing information about homes sales, auctions, and property renovations in the Falls Creek Neighborhood. In addition, excess signage trashes up the entrances, inhibiting the positive presence of the neighborhood.

1. On the weekends at both Falls Creek entrances - realtor signs are allowed for Open Houses. The signs must be removed at the close of the Open House.
2. During the week – signs may be posted on neighborhood corners and on residential properties. They must be removed upon sale, or cancellation thereof, of the home.

The Falls Creek Home Owners Association can be contacted for questions or further information. <http://fallscreekhoa.com/contact-us/>
